The **Forest WSC** water system PWS ID **0370019** has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section 290, Subchapter F. Public water systems in exceedance of an operational evaluation level are required to conduct an evaluation of their source water, treatment and distribution operations and submit a report of their findings to the TCEQ.

We failed to an operational evaluation and/or submit a report to the TCEQ for TTHM/HAA5.

This/These violation(s) occurred in the monitoring period(s) 3Q2020

We are taking the following actions to address this issue:

We have provided the operational evaluation to TCEQ and are no longer in violation. System is now and has been complying since July 2021.

Please share this information with all people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions regarding this matter, you may contact Kerry Black, Public Works Director at 936-366-0861.
